

Week 1 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q – Where is it written in the Bible that all human beings are Gods children?

Who else's children can they be? There is only one creator, so God created everyone, so they are – by definition – HIS children. Some of them may worship Satan temporarily, but God will win them back eventually.

If you give birth to your children, even if someone else adopts them, they will always be your biological children. It's the same with God: He created everyone, so they will **ALWAYS** be His children.

Q – Everybody will be saved? people who don't believe in Jesus?

I never said that ANYONE would be saved who doesn't believe in Jesus. What I DID say is that Jesus Christ is God in human form, and He knows how to get everyone to the place where they eventually WILL believe in Jesus.

serial killers etc?

Saul of Tarsus, who became the apostle Paul, would qualify as a serial killer. How many people do you have to kill in order to be a "serial killer"? Two, three, five? How many

The Bible says, “Nothing is impossible with God.” Serial killers will NOT be saved until 1) they recognize their need for Jesus Christ to run their life, and 2) they have reaped what they have sown.

Q – Will Satan–Lucifer be the last one in the creation to be saved?

The Bible doesn't tell us that, but I believe he will be the last one.

Q – What was Gods purpose for other 'gods such as Buddah, Kristna, etc

The same purpose as God had for sin.

Q – Such a great teaching. Thank you. how can we get the Interlinear bible?

Just go online and search for “Interlinear Bible by Jay Green.”

Q – In the case of all those who have physically died already and never knew God, when do they see Christ? When they physically die? Or, at his second coming?

At the Second Resurrection.

Q – Can you please elaborate on the Rev 14:11 – which states “And the smoke of their torment ascenders up for ever and ever; and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the make of his name.” Thank you! Great teaching!

We will get to that later in the series.

Q – Are there some churches that are still bad, but are NOT 501C, or does it depend on what they are teaching?

God never wanted an organized church whether or not it is a 501c3.

Q – Aren’t there many passages in the Bible that state the only way to heaven is through faith in Christ and that the road to heaven is narrow?

Indeed, it does. I believe that completely. When you go over the video carefully, could you please tell me what you think I may have said that contradicts that?

Q – Did I understand that God will also save Satan and the fallen angels? From what I understood you to say, God intended for Satan to sin, right?

Only AFTER he has reaped all that he has sown. Which would be more glorious, for God to win Satan back, or for God to crush Satan like a bug – or burn him forever (and how do you burn a spirit being who could just waft right out of the fire?) And since Jesus said angels don’t die (Luke 20:36), how could God kill Satan? And if Satan cannot die, and God can’t burn Him to death, then HOW will God “take away the Sin of the WORLD? UNLESS God wins Satan back! Right?

Q – What’s the best translation, that’s accurate?

As I said, none are perfect. I use the following:

King James

Concordant literal translation in English (get at www.Concordant.org)

Strong’s Concordance

Interlinear Bible by Jay Green

Q – I discovered that God’s name is YHVH or in Hebrew yod-hey-vav-hey.

God answers to the name “God” or Jesus. He doesn’t demand that people who speak English address Him in some other language. That would be petty of God. The use of Yahweh is nothing more than Judaizing of Christianity,

something we shouldn't do. Judaism is the OPPOSITE of Christianity. The word Judeo-Christian is an oxymoron.

Q – Will those that are righteous, perfect when they die, will they not have to reap what they sow

If they're perfect, they will already have reaped what they have sown.

Q – Does that mean, that those that are righteous are forgiven, and will not have to reap

The apostle Paul was forgiven but he still had to reap what he had sown.

Dealing with God is not like playing monopoly. There is no “Get out of jail free card” with God.

Q – Did God know what would happen, that Adam would sin, and then in the end, HE would have saints

The Bible says God knows EVERYTHING. So, the answer is, Yes.

Q – Is Reincarnation mentioned in the Bible?

No, not specifically.

Q – Wasn't there a verse mentioned or inferred that reincarnation was accepted in biblical times?

There were all sorts of pagan doctrines held by the Israelites when they were in apostasy. Yes.

Q – Is Saturday the true Sabbath?

Yes.

Q – Was Ellen White a true prophet?

Ellen White never claimed to be a prophet. I have many of her quotes. She said, (among other things) "There are many things we must learn, and many things we must unlearn."

The Bible says there have been NO prophets since Jesus Christ.

God, who at various times and in various ways spoke in time past to the fathers by the prophets,

has in these last days spoken to us by *His* Son,

In the beginning was the Word, and the Word was God, and the Word was WITH God (meaning Jesus), and the Word became flesh and dwelt among us. (Meaning Jesus IS the Word – the Bible!) Heb 1:1–2

So now that we have the Bible, there is no need for any prophets.

Q – What if Satan doesn't want to be saved?

Does Satan have freewill? Read the first two chapters of Job and get back to me with your answer.

Q – Is Satan's “will” stronger than God's will?

"God is operating ALL according to the counsel of HIS OWN WILL (not ours, and NOT Satan's) Eph 1:11

Do you think that God doesn't know how to get Satan where God wants him?

Q – What was the purpose of the angels

What is the purpose of babies?

What is the purpose of trees?

What is the purpose of flowers?

What is the purpose of stars?

What is the purpose of the van Allen radiation belt?

What is the purpose of grass?

Can you be more specific with your question, please?

Q – What about all the 100 thousands of people from the old testament to include Pharaoh etc.

Did God harden Pharaoh's heart? Then God, who is ALL-powerful, knows exactly how to get Pharaoh and the 100's of thousands of people just where He wants them.

We have to worship God – as God – and NOT give Him the characteristics of a mere human being.

Q – Will God Make another body for His children, when the resurrection comes? will we look the same? – Isabella, 11years old

How does the Bible say Jesus looked when He was resurrected? Did Mary Magdalene, and Jesus' mother and the disciples recognize Jesus?

Q – Will Satan worshipers be saved?

Not while they're still worshiping Satan. Do you think that God is not great enough to change everyone eventually AFTER they have reaped what they have sown?

Q – What age will our spirit come back as

The word “spirit” is not in the Bible – in the original. The word is always “breath or wind.”

You can look it up in Strong’s concordance.

Q – In: 1Cor 6:9 & Gal 5:19 it states that the unrighteous shall not inherit the kingdom of God.

I agree that the unrighteous shall not inherit the kingdom of God.

When you watch the video again, could you please tell me where you think I said anything even close to that?

God says that everyone will reap what they have sown, and THEN God says,

“Behold, I make ALL new.” Rev 21:5

Do you believe that God will do what He says He will do?

Q – What about homosexuality being an abomination?

Homosexuality IS an abomination. Do you believe that God is so weak that He can’t lead a person through the experiences he must go through in order to reap what he has sown, and then recognize his need to CHANGE his life and let Jesus Christ run his life?

Was Jesus death insufficient to “take away the sin of the WHOLE world.” John 1:29

Q – Have you studied the work of Herbert Armstrong.

I am well aware of the work of Herbert Armstrong, but in order for me to comment, your question needs to be more precise.
