

Week 4 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q – If God will save everyone if a person rejects God and Jesus and is on his death bed and will not show any remorse for anything how will God save him?

What you are saying is that man's will is stronger than God's will. In other words, "God can't save someone unless that person LET'S God save him. That means you believe that "man's" will is stronger than God's will. In that case, "man" has become his own god.

God is in charge of ALL the circumstances of our life. He has not lost control of His creation. He knows exactly what type of things a person must go through in order for him to eventually understand he needs Jesus Christ to run his life. If it doesn't happen in this life, it will happen after the Judgment, when that person begins to reap everything he has sown.

Q – So no apple cider vinegar or raised homemade bread if nothing fermented? Please clarify. Thank you.

I think I answered that on the live seminar. Please listen to it again.

Q – So are you saying there is no Holy Spirit? What about the holy trinity, is that a real thing?

Please see the end of the Q&A for the previous session. The answer was given in great detail.

Q – God will tell everyone where to go and how to get there?

Could you please make your question more specific? I'm not sure what you are asking.

Q – What verse of the Bible that Jesus is Michael as Angel?

Answer: Jude 1:9

Q – 1Thessalonians 2:15 Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men. Who are the Jews he is talking about? I thought the word Jew was those who worshipped Jesus from Judea?

Please listen again to the video of the seminar and hear my explanation.

Q – If Satan knows his time is short and he knows that God wins. Why is doing all this when he already knows the outcome will be his downfall?

He knows his time is short, but I never said Satan knows that God wins. Satan thinks HE is going to win.

Q – Why do our pets suffer with pain and illness? Does Satan have power of our pets?

When Adam and Eve sinned, everything in the world began to die, including animals.

Q– In Luke 21:25–26 it says “And there will be signs in the heavens, in the sun, moon and stars.” What are the actual signs?

We have already discussed some of those in the previous seminars. Please re-watch those videos, or read your previous handouts. And we will be discussing more in the seminars to come.

Q – So when Jesus made the wine to water its not a fermented wine?

Correct. It was not fermented wine.

Q – Drugs that the doctor gives you for pain. If it takes your pain away and doesn't alter your brain, can you take them or is it a sin?

The real question is, what caused your pain in the first place? Did you get run over by a truck, or are you having a headache because you didn't get enough sleep, or drink enough water, or you ate too much sugar, etc.

Q – All drugs even antibiotics?

Especially antibiotics. Antibiotics wipe out all the good bacteria in your colon which is 33% of your immune system.

Q – Why do you say Catholics, Jews, Freemasons etc are ALL 666?

They worship “man” and not God.

Q – Are drugs used for pain relief acceptable? Everyone seeks to eliminate all and any pain these days. How should we deal with pain in a way that doesn't harm the body?

Live, think, act, eat, and handle stress God's way. I discuss that in great detail in my health materials at www.drday.com

Q– Will books about the Bible be banned too?

Probably.

Q – TPP is the same as USMCA. Is USMCA how the US, Mexico and Canada will be combined?

Yes, that is one of the ways. There have already been other agreements between the 3 countries, as well.

Q – Is there any way we can stop this? If we pray, live right, repent, will we not have to go through the famine, plagues, etc?

If you are asking is there any way we can stop the Communist takeover, then the answer is, “No.” But the Bible says that if we are searching for the Lord with all our heart and studying His word and living His way, He will make sure that during any famine, we will have food. Also, we will learn in Revelation, Chapter

16 that those who have NOT taken the Mark of the Beast, will NOT be subjected to at least the first plague, and possibly the other 6 last plagues. In Israel of the Old Testament, when God brought the Ten Plagues on Egypt, none of the Israelites were affected.

Q – Last week Dr. Day mentioned to study about nature and edible plants. Is it true that ALL grass is edible?

I don't know if ALL grass is edible. Certainly, a lot of it is.

The following questions and answers were added after the original version of Q&A were uploaded on the website for review.

Q – Will Dr. Day get into discussing the role of modern-day Israel and Bible prophecy?

Modern-day Israel, as a specific, nation had nothing to do with Bible prophecy, except as it relates to the Jewish Illuminati run by the Rothschilds, of which Netanyahu is one of the Rothschilds' puppets, and the area of Palestine, will be expanded to a much larger area, as I mentioned.

Q – Since they aren't the true Jews/Israelites, how did Christians get duped into this?

Christians are duped about just about everything because they haven't been studying their Bibles and searching for the Lord with all their heart. Virtually every doctrine that is taught in the churches is NOT biblical, as I discuss in great detail in my book, "Who Rewrote the Bible?"

Q – How is this truth being spread and is it effective?

Again, if you read the Bible, it says that very few will know the truth at the time of Jesus' Second Coming, in large part because people are NOT studying their Bible.

Q – Why don't many pastors and Christians know this truth?

Same answer as above.

Q – Does Israel have a role in the communism that is being pushed in America?

Communism is Jewish. It comes right out of the Jewish Babylonian Talmud – their “holiest” book.

Q – Does the scenario that Dr. Day mentioned where dark days and times ahead involve the believers?

Yes.

Q – There is some conflicting information that I'd like to address: When Jesus returns, He said people will be doing all the same things as in the days of Noah.

Eating and drinking and marrying and giving in marriage. That means there will be some semblance of life. That also is happening in Communist countries right now – people are eating and drinking and marrying and giving in marriage, even though the millions of Muslims in China are in concentration camps.

Q – This seems to conflict with the communistic, vaccine agenda that will wage war on humanity.

You need to read the history of the Jewish Communist Bolshevik Revolution. There was a veneer of somewhat normalcy on the surface, but people were being kidnapped and taken away in the middle of the night, never to be seen again.

Q – How could people be laughing and being caught up in the world?

Where does it say, “people will be laughing”? People ARE “caught up in the world” with every kind of distraction possible: video games, pornography, television, Net Flix, Facebook, Instagram, and dozens of other distractions. That will still be going on while the vaccinations are being delivered. And when people die from the vaccinations, the authorities will blame it on that pesky Second episode of Covid-19.

Q – What about earthquakes and disasters?

What about the recent floods in China, the hurricane in Louisiana, the tsunami at Fukushima? These were ALL done with weather control, and no one even blinked an eye. They were thought of as “natural disasters” and people around the world kept on “eating and drinking and marrying and giving in marriage.”

Q – It doesn't seem to fit together when people will be beheaded

They're not going to beheaded in the City square. The decapitations will be occurring in the FEMA camps. The people OUTSIDE the FEMA camps will have no idea what is going on.

Q – and famines are on the earth. Is America involved in this?

Yes.

Q – The "inhabitants of the earth" was mentioned tonight but not the believers. Where will the believers be throughout all this chaos?

The Bible tells us that there will be Christian martyrs, so obviously they will be involved in all of this. Some believers will be hidden.

Remember, there have been Christian martyrs throughout history.

Q – Will believers be watching this play out, or will believers be hidden?

We will get into this more as we study further into Revelation.

Q – I've been taught both and want to get a more accurate picture.

Again, it takes a lot of in-depth study in order to get a more accurate picture. We will do more of that as we go along, but each individual in the group will also have to continue to study on his or her own, because just “once through” these chapters in Revelation – in the time we are devoting to each chapter, is not enough to learn everything about Revelation.

In addition, there are other areas in the Bible that talk about end-time events, such as Jesus in Matthew, chapter 24, areas in Thessalonians, 2 Peter Chapter 3, and many other areas. So, all of these have to be studied in depth and melded together.
