

## Week 7 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

**Q – So Adam was made with both male and female reproductive parts?**

Yes. The word "Adam" means humanity. Humanity includes 2 genders (not 38 as the Communist Illuminati would like you to believe).

**Q – How does Dr Day know Adam was created with both female and male parts?**

This is what we discussed. God initially created both male and female in one individual. Why do men have nipples? Please watch the video again. I gave the texts that show this.

**Q – Does God have both Male and female reproductive parts. If he made Adam in his own image?**

The Bible says, "God is invisible." Colossians 1:15

**Q –The Hebrew word for rib used throughout the scriptures is also used as the word chamber and vault.**

The Hebrew word that is translated "rib" in Genesis 2:20–24, is NEVER translated as "rib" again. That is the ONLY time. In EVERY other instance, it is translated chamber or vault.

**Q – Why would the Illuminati kill 6 billion because inadvertently many of their own will die?**

No, “many of their own” will NOT die. They are not stupid. They only want to kill Gentiles.

**Q – And the earth will be ravaged and they won't get their products and services.**

They plan to keep 500 million slaves alive to serve them. Go to this link and read about the Georgia Guidestones:

<http://earthpurification.blogspot.com/2009/12/radio-liberty-georgia-guidestones.html>

**Q – So why would they do something that destroys their lifestyle.**

They will NOT “destroy their lifestyle.” Eventually GOD will “destroy their lifestyle.”

**Q – Matthew 10:28 Do not fear those who kill the body but are powerless to kill the soul. Rather, fear him who can destroy both soul and body in Gei-Hinnom. (I looked up Gei-Hinnom is hell) will you please explain to me what this word means)?**

Here is the Bible study that explains it all. But you will have to study it carefully. The title is: “Was the Doctrine of Hell manufactured by Theologians?” and here is the link: <https://www.goodnewsaboutgod.com/studies/hellfire2.htm>

And this one: If there is no Hell, Why Did Jesus Use the Word Gehenna when He knew it was associated with Burning?

[https://www.goodnewsaboutgod.com/studies/spiritual/home\\_study/gehenna.htm](https://www.goodnewsaboutgod.com/studies/spiritual/home_study/gehenna.htm)

**Q – Dr Day, you mentioned that God talks to everyone all the time. Do you think that each person has to make a conscious decision whether they believe in him or there are some that really don't know before they leave this world?**

I'm not sure I understand your question. I have said repeatedly that those who don't believe in God at the time they die will be back for the Judgment. And AFTER the Judgment they will have to reap what they have sown which will

include going through all the things necessary to finally realize they need Jesus Christ to run their life.

**Q – I know the 10 commandments but what are Gods laws and decrees so I can follow them?**

God's Commandments are in Exodus 20 and Deuteronomy 5. God's decrees are given all through the Bible. That's why YOU have to study the Bible.

**Q – Where could I show someone the evidence that the feasts were done away with?**

I have a whole chapter on that subject in my book, "Who Started the Organized Church? It Wasn't God!" Here is the link to information about that book:

<https://www.drday.com/#organized>

**Q – I missed the answer on why men have nipples. What was and is the reason? thank you.**

You can watch it again on the video.

**Q – In Revelation 2:9 it says "I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan". Is this referring to the Khazar Jews or should it be interpreted as Judeans (Christians), in other words those that say they are Christians but are not.**

It's talking about Judeans (who were Christians): But it's talking about the apostate Christians, those who were Christians in name only. The Bible says "They have a form of godliness, without any power." 2 Timothy 3:5 The word "Jew" is not in the Bible.

**Q – What is your theory on the Feast? For instance, today is Yom Kippur, and in the reading for Yom Kippur, (Leviticus 16:1–34) it says; " For on this day, it shall be a day of atonement," and " It shall be a Sabbath of solemn rest to you. This is a statute, you shall keep forever" Thank-you**

As I discussed in some detail tonight, the word "forever" is NOT in the Bible. The word is "eon" which is a period of time with a beginning and an end, the period of time is designated by God. The feasts ended with the crucifixion of

Christ, because ALL the feasts looked forward to the coming of the Messiah, the Savior of the world. The feasts (ordinances) were “done away with at the cross.”

“Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailling it to his cross,” Colossians 2:14

**Q – I always believed in a Pre–Wrath Rapture (meaning Raptured at Jesus's 2nd coming right before God's Wrath or the Day of the Lord) but I believe that you are teaching that we will go through God's Wrath and be raptured Post Tribulation. Is that correct? If so, when are true Christians sealed? Are we protected during the wrath of the Antichrist and during the plagues or God's Wrath?**

Those are the exact things we discussed last Monday, and the Monday before that. Please re–watch those videos.

**Q – I am confused on your stance on Climate Change,**

There is no “Climate Change.” That is a hoax to bring in the New World Order, just like the FAKE Corona Virus scamdemic is.

**Q – But things don't have enough oxygen, etc. Is it not a climate thing?**

I don't understand your question.

**Q – Who is controlling the weather, who is behind it?**

The same group that is behind everything else: the Satanic Illuminati.

**Q – Can we preorder your new book Dr Day?**

No, we have no mechanism on the website for that. When it is available, it will be posted on the home page of both of my websites.

**Q – If I understand what you are saying, Dr. Day, the military are the indirect murderers of people**

The military has only ONE purpose: to KILL people. Can you tell me any other purpose for the military?

**Q – Are the chat questions and responses available after each lesson?**

Yes, and I understand they are posted also with the video of each lesson.

**Q – Dr Day, you brought up the Alien thing. Are Aliens real? Are they demons? You wrote an article on your website about an underground area but is there such things as true Aliens?**

If you are asking if there are really Aliens from another planet that come to our planet, the answer is NO. If you are asking if demons can impersonate aliens as well as regular human beings: the answer is Yes.

**Q – The project blue beam, that is the fake rapture.....**

With the technical abilities of Project Bluebeam, they ARE able to fake a “secret rapture.”

**Q – Will they take ANY body or ppl need to be willing to be "taken" in this fake rapture?**

They will take anyone they want, but they won't be going to heaven. Who knows what they will do with them, maybe even drop them in the middle of the ocean.

**Q – I would like to explain to my 15 yr old son about the eons by creating a visual time line with the eons on it (very simple and visual), here is my question and please bring corrections where needed: So the 4th eon is the Millennium (?) and in that eon, the earth will rest for 1000 years, and satan and his angels will be on earth (??) – what will they be doing?; and at the end of this millennium, what should be the condition of the earth–will it be cleaned and healthy? And so the next thing (5th eon), the wicked will be resurrected– will they reap what they sowed on a clean and healthy earth? Thank you Thank you than you!!!**

1<sup>st</sup> eon: From the time the EARTH was first created (we don't know when that was) until Satan destroyed it, and the time that God re-created the earth and created humanity.

2<sup>nd</sup> eon: From the creation of humanity – until the flood (that occurred approximately 1500 years after creation).

3<sup>rd</sup> eon: From the flood until the time of Jesus 2<sup>nd</sup> coming – a period of approximately 4500 years. This is the eon we are now living in. Jesus will come

when the earth is approximately 6,000 years old. (But we don't know the day or the hour.)

4<sup>th</sup> eon: The millennium eon. No human beings will be alive. The righteous dead will have been resurrected at the Second coming, and along with those righteous who were still alive, will go to heaven with Jesus. The Unsaved will all die in the great earthquake and fire that accompanies Jesus Second Coming. The only ones alive on earth will be Satan and his evil angels, who will be forced to live in the mess they caused.

What will they be doing? I don't know, but it won't be pleasant for them.

At the end of the 4<sup>th</sup> eon, the Unsaved will be resurrected for the Judgment. (That is called the Second Resurrection.) Then the 5<sup>th</sup> (and final) eon will begin during which the unsaved will reap what they have sown. Then, when everyone has finally recognized their need for Jesus Christ to run their life, we will all enter Eternity.

The Bible doesn't specifically say, but the earth will have to be re-created to some degree for the 5<sup>th</sup> eon (because of the massive fires and earthquake at the Second coming) just so people can live on it. But it probably will not be totally re-created in its full glory until we begin eternity (after everyone has been saved.)

**Q – During this time – Plagues will Christians still be living?**

Yes.

**Q – Miss Day, I've watched several videos about aliens, for instance, there have been many scientists that say they were in a helicopter or scuba diving, in the ocean and claimed to see large hole, that they think creatures live in. Do you have any comments on this?**

You can see my answer in one of the previous questions.

**Q – Is Covid one of the plagues?**

No.

**Q – What does that mean "shut down"**

I don't understand your question. Please be more specific.

**Q – Dr Day, what does that mean to patent or not? You are saying that this is bioterrorism?**

Please re-watch the video.

**Q – Are you inferring that the vaccine companies are legit on taking a part of our DNA?**

I don't understand your question. Please re-word it.

**Q – Elon Musk is already working on connecting computer to brains..... Have you seen any connection to the RNA vaccine?**

Not so far. But that doesn't mean they won't connect them in the future.

**Q – Sweden didn't shut down. Do you think they will be punished during the RNA vaccine or something different?**

Sweden was already punished by George Soros funding the immigration into Sweden of tens of thousands (or more) Muslims who are continuing to rape and assault the Swedish women.

**Q – Is it true that some states are lifting the mask laws right now?**

I have heard of a few cities that are doing that. But that probably won't last for long. They are planning a "second wave."

**Q – You said we cannot trust Google to do research. Where do you recommend going instead of Google to do research?**

There is no ideal place anymore because every aspect of the internet is owned by Jews and they are "wiping all of it clean (of truth)."

**Q – Dr Day you have said many times this covid is just "the common cold virus" but would you agree that this virus has accelerated ones's immune system more than the common cold?**

No. Covid is not killing anyone. People are dying of all the things people have died from for the last hundred years. But when they add "Covid" to the death certificate, the hospitals are being paid an extra \$13,000.00 per patient. And if

the patient has been put on a respirator, the hospital gets an additional \$39,000.00.

**Q – I am so confused as to the severity of this virus.**

That's exactly what the Illuminati wants – for you to be confused.

**Q – Dr. Day see above. I have 2 relatives with kidney failure for this virus?**

You would have to give me a lot more evidence than that. I would have to see their charts and their entire medical history before I would believe that Covid is the cause.

**Q – Miss Day, please watch this. I'm not sure if this is a part of the new world order plan.**

Can you imagine how many people send me things to watch and read? If I actually DID watch and read them all, I wouldn't have time to eat or sleep.

**Q – Dr. Day since you brought up Fox News, do you think they are truth tellers?**

No. They are a tiny bit better than the other networks because they allow Tucker Carlson to continue. Even though I think Tucker Carlson is probably a very nice man, he doesn't know the BIG picture and who is really running the world, or what is going to be the eventual outcome of all the things that are happening now.

**Q – I request you talk about giants, nifilim too**

There is a chapter on the Nephilim in my new book, that should be ready some time in November.

**Q – Dr Day, I have worked as a hospice volunteer and children when they die see a spirit, is that a an evil thing since you say our spiritual breath goes back to God?**

When people have decreased oxygen, which often occurs when they are close to death, hallucinations can occur.

**Q – My friend whose mom died, and he had a vision of his mom and knew she died before someone told her. Why is that?**

That is not what we were talking about. We were talking about people seeing things when they were close to death. Please see the answer I gave to a previous question.

**Q – Are there biblical verses regarding that reveal the Hidden Mystery?**

Yes. That's why it's important to study the Bible.

**Q – I've had many encounters of what I perceived as the Lord or his angels. (I used to believe it was the Holy Spirit) until starting your class. How do I know who's been visiting me, the Lord or Satan. I never wondered until now. Does the Lord's spirit visit us?**

If you are having "visitations" – they are very unlikely to be from the Lord.

**Q – Does the bible say how long the judgment will be?**

No.

**Q – And will Christians be alive during this timeline?**

Please listen to the video again. Those who died as true Christians will be resurrected at Jesus' Second coming, and those who were true Christians and still alive at the time of Jesus' Second coming, will already be **SAVED**, and (both groups) will have gone to heaven with Jesus. When Jesus comes down to earth to begin the Judgment, the Bible says the saints will come back to earth with Him.

**Q – So when the dead & alive in Christ are raptured,**

I prefer to call it "go to heaven with Jesus at the Second Coming." When the term "rapture" is used, it is usually referring to a "secret" rapture – a doctrine that is unbiblical.

**Q – They go to heaven with Jesus during the Millennium and the rest who died without Christ are asleep for it. Then we come back to earth for the judgement. How do they reap what they sow? What are the true Christians doing at that time?**

How does "who" reap what they sow?

What are the true Christians doing during WHAT period of time? Are you asking about the Millennium? I've answered that in a previous question (above).

**Q – What about miscarriages and aborted babies. Will they come back?**

Yes.

**Q – Extra question via text: Is there such a thing as reincarnation?**

No.

**Q – You mentioned that chemtrails were polluting our crops and soil. How does this affect organic produce?**

It may affect it somewhat, but still organic is far better than non-organic. God knows what we are dealing with. We just have to get the healthiest food that is available.

**Q – I believe I heard you say that prior to God's creation, the devil messed up the earth. How many times will God allow the devil to mess up our earth?**

This is the LAST time. The Bible says so.

**Q – People who are considered righteous and know God, have sinned and fallen short when they die. Will they too need to reap what they sow after the millennium?**

Whenever we sin and fall short, we must reap what we sow. That is the whole purpose of being on this earth for this life – for us to get to know the Lord so well that He has come into our heart and we have been changed completely. God is not going to wave a magic wand over us after we're dead – to “make us perfect.” We've got to accomplish that while we're alive on this earth. If no, we'll be back for the Judgment – to do it then.
