

Week 11 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q – Dr Day, I am confused regarding the sign of Jonah. If he was alive in the whale, how is it that Jesus was dead for a few hours?

Jesus was also ALIVE for the whole time He was in “the heart of the earth” – which was from the time He was betrayed (on Tuesday afternoon/evening) until the time He died on the cross (Friday afternoon) for a total of – – – 3 days and 3 nights.

Q – Dr Day, explain to me how God is more loving than a parent, but he would let Satan tempt Job to the point of losing his family, tortured, and left with no livelihood?

God not only restored to Job all of his possessions, but a new family, and He will give Job eternal life. NO parent can do that!

Q – Dr Day, if the righteous will be in heaven when none is left on earth, and Satan is chained to these circumstances, does that mean the Righteous will not be at the great white judgment?

The Bible says the righteous will come to earth with Jesus for the Great White Throne Judgment.

Q – Did Dr Day say Resurrection Day is Monday, yet Mary found the tomb empty on the Sabbath – Saturday. which is correct?

Resurrection Day is NOT Monday. Please listen to the video again.

Q – Dr. Day, when does the 1000 years start that Satan will be bound?

At the Second Coming of Christ.

Q – Dr. Day, why did God allow Satan to destroy the earth before He created humanity?

The Bible doesn't say.

Q – Where are the ppl not in the first resurrection? Waiting on the 2nd resurrection.....are they burned up in the earth and just dead for 1000 years?

As I said, they will die in the great conflagration that occurs with the Second Coming of Christ and be resurrected in the Second resurrection.

Q – Will ppl during Noah's day be in the 2nd resurrection?

Yes.

Q – Dr Day, You brought up those cremated. How are they resurrected whether the first or second resurrection?

Cremation happens after death and has nothing to do with whether a person is righteous or unrighteous.

Q – God has hardened hearts and gave ppl over to their flesh desires. Will those ppl only need to reap what they sown and will be part of the 2nd Resurrection?

They will reap what they have sown AFTER the Second resurrection.

Q – Dr Day; It makes no sense that someone who dies with cancer, will come back with the disease. wouldn't death of the disease be enough of a reaping?

Should they be rewarded for turning their back on God and destroying their own body?

Q – Dr Day If we will not have blood as you say Jesus is now, how can people reap what they sow from a disease they died of?

Those who are resurrected in the Second Resurrection will not yet “be changed.” But one doesn’t need “blood” to reap what he has sown.

Q – Dr. Day, I read your materials in Project Blue Beam, you said that they will produce Jesus in the sky, you said Jesus feet will not touch the earth. So how can we know it’s the real Jesus?

The ONLY way to know is to know Jesus Christ so well that He will impress the truth on your mind, at the time. Everyone else will be deceived.

Q – What if you were paralyzed when you died, and you needed 24–7 care to survive. You'll come back paralyzed? Who will take care of you?

I’m sure God has that all figured out.

Q – In the question above, how is it for a loving god to bring someone back after sleeping to a paralyzed state? How can that be a God of Love?

It depends on how he became paralyzed. If he became paralyzed from a head–on collision that was not his fault, then he won’t come back paralyzed. If he became paralyzed from a head–on collision while he was being chased by the police after he had just raped and murdered a 9–year old girl, he WILL come back paralyzed. If the 9–year old girl was your daughter, do you believe that he should not reap what he has sown?

Q – Dr. Day, In reaping what we sown, Paul will reap what he sown?

Paul already reaped what he had sown. Read the New Testament.

Q – Dr Day– Could not lake of fire be literal? There are lakes that have caught on fire with oil and gas. Is it in the Interlinear that it is symbolic?

The biblical “Lake of fire” does not contain any water.

Q – Some may take a short time to reap what they sow & some may take a long time so when people finally come to Jesus do they just get taken to Heaven when they are done reaping what they sow?

Heaven is a temporary place. After the millennium, Jesus Christ and those who are saved will come down to earth for the Judgment. The “reaping” will begin AFTER the Judgment which is AFTER the Millennium.

Q – Also, what are the righteous who are in Heaven doing at the time people are reaping what they sow?

See my answer to the previous question.

Q – Dr Day you mentioned that there has been 2000 years of Christian apostasy. Is it not possible that many of the tv personalities could really be Christians but just too materialistic which is why they ask for money? How do you know if these personalities are apostasy Christians?

Because they're teaching unbiblical doctrines: that is the definition of apostasy.

Q – Dr. Day, when God speaks to someone is it spontaneous thoughts that pop into the mind?

Not necessarily. "Spontaneous thoughts" can also be planted in your mind by Satan.

Q – Dr Day; Where do these Christians get the idea that Jesus will come to Jerusalem in the end times? Is it propaganda?

They interpret Daniel and Revelation literally rather than symbolically.

Q – Dr Day You mentioned that the word "Mansions" means the many.

No, I did NOT say that the word "mansions" means 'the many.' Please re-watch the video. I said the phrase "hoi polloi" means "the many."

Q – Because Jesus Christ did not sin, he will not be there? Will we be able to enjoy his presence?

I don't understand your question. I didn't say anything about that. Of course, Jesus will be there in heaven and at the Judgment.

Q – Could you Dr Day share how you came to believe in Universal Restoration?

Through several years of intense study.

Q – How far back does this belief go back to?

From the time of Jesus, through the first 5 centuries after Christ, ALL true followers of Christ believed in Universal Restoration. Until the Catholic church and St. Augustine introduced the false doctrine of hellfire.

Q – Dr. Day, when we reap what we’ve sown, what exactly are we going to be doing?

You’re going to be “exactly” reaping what you have sown!!

Q – Will we be on the sea of fire and glass?

That is symbolic language.

Q – Who is Melchizedek and his relevance and purpose in the bible?

Melchizedek represented God, to whom Abraham paid his tithe.

Q – Dr Day: You mentioned last time that wearing a mask in your terms "You will play their silly game.' But explain to me what is silly about it when I know there are people who had pre-existing conditions, but it was the covid virus that did them in. How can that be just a common cold virus.

Because you are only believing what you are being told on TV. You have NO independent knowledge that ANYONE actually died of Covid-19. If you do, please e-mail that absolute documentation to me.

Q – Dr. Day, knowing all that you know (& it is mind boggling how much that is) could you give us a current day guesstimate of what the near future might hold or how we can expect it to play out?

That’s what we have just been going through by studying Revelation. I can’t give you an exact day by day scenario. No one can, and we don’t need to know. The book of Revelation tells us what is going to happen, and the general time frame (“this generation shall not pass until all be fulfilled), and I give a more specific estimate on the “Updates on my website at this link:

Just scroll down past the pictures and begin reading the articles.

Q – Bible says we have all sinned and fallen short of the glory of God. Will all Christians have their sin burned out?

All Christians and non-Christians will reap what they have sown.

Q – Dr. Day is there a Revelation timeline that is best to lean from that you could recommend?

Again, please read the updates on my website at the link I have given about 2 questions above.

Q – Dr Day. You just said that we should not worry if we don't make it in the 1st resurrection, but you would make it in the 2nd. You mentioned that the consequences would be something you would still need to go through. Are you not afraid of the consequences? I don't know what to expect?

What good does it do to be afraid? Jesus will never leave you nor forsake you, and He promises to go through it with you.

Q – I'm using the 10 Commandments as my guide; what references do you use to show us that we are to still tithe?

The 10 Commandments take up only part of ONE chapter in the Bible. There are 1,189 chapters in the Bible. We need to follow ALL the Bible. Tithing is ordered by God in a number of places in the Bible. Including this one:

The Lord has commanded us to pay tithing. In return, He promises to “open ... the windows of heaven, and pour ... out a blessing, that there shall not be room enough to receive it” ([Malachi 3:10](#)).

All you have to do is “Google” “Tithing in the Bible” and you will find them.

Q – Dr. Day, there is an Aramaic version of the Bible that translates the Lord's prayer as "Let us not be led into temptation" rather than "Lead us not into temptation". Do you think that translation is accurate since it seems to be asking God to protect us from the temptations of Satan rather than God leading us into temptation?

I'm not sure it makes any difference in that instance since the Bible tells us that “All is of God.” Romans 11:36

Q – How do we KNOW for sure that we are safe to save for the 1st resurrection? Should we be praying for that wisdom and guidance? Should we be praying for God's sealing us?

All of that is up to God. We should not be focused on our own salvation. We should be focused on getting to know the Lord better than we know any human being on earth, and then trusting Him with everything in our life.

Q – Dr. Day, There was the Israelite diet, do you think Jesus ever ate meat? just asking

Q – Dr. Day, I want to know the thing about the flu vaccine in Japan. 48 people died.

Q – Dr. Day: Do you ever have second doubts on universal restoration?

No. There are well over 30 different passages in the Bible that confirm that God will save everyone eventually. They are all in my book, "Who Rewrote the Bible?" Here is the link: https://www.drday.com/who_rewrote_bible.htm

Q – Dr. Day, I would like to know more about miracles and eating God's way. Go to my website at www.drday.com and start reading. There are many links found at the very bottom of my home page, as well as articles right near the top of my home page.

Q – When we come back with Christ, will we be age we were when Christ came
The Bible doesn't say.

Q – Can Dr. Day do a one session Bible study that speaks of starting today until the very end. This would include definitions of all the important things like Antichrist, false prophet, the mark of the beast

This is what we have just been talking about for the last 11 weeks. You can review the videos and read the handouts.

Q – and exactly what Christians should do when the vaccine comes
Simple! Don't take it!

Q – the ability to buy/ sell etc, etc
Again, don't take the vaccine under any circumstances.

Q – Cannot wait for your new book Dr. Day. When can we expect it?
It should be available sometime between Thanksgiving and Christmas.
