

Week 9 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q – Dr Day, In the second coming of Christ, those that are believers, will rise with him?

The TRUE believers. There are a lot of people who say they “believe” – but their lives betray them.

Q – Will the Throne Judgement be for all or will the believers also be judged?

The Judgment is only for those who are unsaved who rise in the second resurrection. The ones who have gone to heaven at the first resurrection (and those true believers who are still alive at the coming of Christ) have already been “judged” by God and found worthy.

Q – When the Bible says Don't take the Mark of the Beast How do we know if a Cashless Society is the Mark as opposed to it being the latest technology .Example we started with cash, then credit cards and next cashless society?

In several of the previous seminars I have explained in great detail what the “Mark of the Beast” is. It is NOT a “cashless society” nor the “latest technology.”

Q – Most catholic priests live in community and evangelize and teach the word of God

Catholic priests agree NOT to marry, and their rituals almost always demand a certain amount of fasting. They are included in the group that God defines as living by a “doctrine of devils.”

Q – Dr Day, Are you saying that being Safe to Save means that we are not his children?

We are ALWAYS God’s children because He created us all so He is the “father” of us all. But we are not Safe to Save UNTIL we measure up to HIS Standards.

Q – I thought if we didn't eat the ideal diet it was still tolerated?

Not by God!

Q – Dr Day, If I am a vegetarian does that mean since I eat some eggs and cheese that I am not safe to save?

What is God’s ideal diet?

Q – To Lillian, would you consider leading or organizing a class/group on this change in diet — being closer/obedient to God by how I/we eat. I need some fellowship in this area. Any ideas?

Sure... Please mark your calendar for November 13–15, 2020. I also have a Facebook group called Healthy Eating And Living “HEAL” Tribe.

<https://www.facebook.com/groups/JAXHEALTRIBE>

Q – I just want to make sure I have this right? We were all created to help save Satan?

I’m not sure where you came to that conclusion. I never said anything remotely like that.

Q – Is Satan like the Prodigal Son? (Luke 15:11–32 or the 1? (Matthew 18:12–14).

I never said anything like that either. And since I am the one taking the time to answer all the questions, could you please not make me look up all the texts too?

Q – You mentioned White Christians starting America. Didn’t they come here and Kill the Native Americans

I'm not saying they were perfect Christians. Do you have any friends or relatives who claim to be Christians yet are members of the military? What is the difference?

Q – and then bring slaves from Africa to build the country

It was the Jews – and NOT the Whites (Christians or otherwise) who brought African slaves to America. You will see the proof in my up-coming book.

Q – and then not allow non whites to read the Bible or go to their White Churches. How is that Christian?

Are you aware that many emancipated black slaves became Slave owners, themselves, of both black and white slaves? The proof is in my up-coming book.

Q – Dr. Day, where is the REAL Israel?

The word “Israel” means “upright with God.” Those who are “upright with God” are the REAL “Israel.”

Q – My mom and I saw a video that said it's in Africa. Is this true?

No.

Q – Israel is 3 idols, isis, ra, and el.

Isis and ra are both pagan gods. The word “el” means “God” in Hebrew.

Q – If a Christian starts a business and the business becomes one of world's greatest companies how will the Illuminati approach him or her to make them bow to the illuminati and make the company logo a satanic logo, etc, etc

That business will NOT become “one of the world's greatest companies” UNLESS the owner signed on with the Illuminati.

Q – Dr Day, my mother is 97 yrs old. She has been a Christian for her whole life and she eats meat every day, etc. You have said that "God is a Gentleman." Are you saying that she will have to reap for eating meat when she has been a dedicated Christian?

A “dedicated Christian” is one who does what God says (in the Bible) we should do. Does she keep the Seventh-day, Saturday, Sabbath holy? Does she pay her

tithe every month? How many times has she read her Bible clear through? Does she go to doctors? Does she take any drug medications?

How does she exhibit her dedication to God? Please tell me very specifically.

Q – Is the repaying the double the double referring to reaping what you sow?

Yes.

Q – Who or what is the group that you say started Facebook and Microsoft?

DARPA developed both of them. You can look up DARPA on the internet.

Q – When the one world order starts will Christians be able to continue to pray and worship God?

The New World Order/One World Government has ALREADY started. That's why they could shut down the entire world in one week! It just has not become totally visible. We are still allowed to continue to pray and worship God, but in the future (probably not too distant future) that will not be allowed.

Q – Dr Day, the bible verse "If we confess our sins, he is faithful and just to forgive us from our sins and cleanse us from all unrighteousness" means what then? We are not cleansed?

How do you define "confess" – and how do you define "cleansed"?

Q – Will God burn the sin out of Christians lives, even if we have repented and forgive ppl who sin against us?

The way God "burns" the sin out of a Christian's life is to let them reap the consequences of what they have done, so they learn not to do it again.

Q – So we are not to store up for a rainy or hurricane or snow day?

I didn't say that. In fact, I DID say that we can store up for a natural disaster. But if you are planning to store up huge amounts of food or other things for the disasters that are coming from the Illuminati, someone will just come and steal them from you at gunpoint. Are YOU willing to kill them to stop that? What if 30 people storm your house to take your food?? At what point do you decide to trust the Lord to provide for you?

Q – Are we to save for days of illness or Retirement?

Yes.

Q – How do you explain the millions that die of hunger all over the world in 3rd world countries. We have no way to know how close they are to the Lord.

Of course, we do. If God promises that if you trust Him, “Your bread and water will be sure” – then these millions that die of hunger all over the world are have NOT been “trusting in Him.”

Q – How do you know the center of slavery will be in Israel or is now?

I have numerous articles from the newspapers and from the internet that say that, even newspapers from Israel are saying that.

Q – Do you believe that Christians will be injected with this chip that they can steal our soul if God breath is in us?

YOU are the one who either accepts or rejects the chip. If you are a true Christian, you will reject it.

Q – Dr Day, Would you explain how the vaccine can actually make you "owned"?

Please listen to the seminar again. I explained that.

Q – What do you mean by patent us?

Please listen to the seminar again. I explained that.

Q – Are you saying we will be cloned?

No.

Q – Where will the Christians be while all the Satan worshipers are reaping all their bad?

With the Lord.

Q – Dr Day, I have heard that Satan is wiley and is evil genius, does he/she not know that he will eventually have to reap all his evil?

No. He doesn't understand that. He thinks he is going to win.

Q – If he is limited in his power, does he not know this?

When beings are evil, they can't think right.

Q – How do you explain the Christian’s that died from starvation in Russia?

Do you know their heart? Calling oneself a “Christian” doesn’t automatically mean you are one.

Q – Dr Day, In your opinion do you think this Election is the beginning of the violence and chaos that will take place in this country, or the election is just lots of hype by the MSM?

Are you not already aware of the massive violence and chaos that has occurred in Portland, Seattle, Minnesota and many other places? After the election, no matter who wins, it will only get MUCH worse!

Q – I thought those new buildings were for the homeless to give them a place to live in Cali.

What new buildings are you referring to? The highrise buildings in the cities?

Q – This will be in every state?

Probably.

Q – Dr Day, I have heard you say that you can boost your immune system even after you have received chemo by juicing, following 10 steps of health.

First of all, let me say again – the Health Plan is NOT a “juicing” plan. And “following the 10 steps of health” means you have to CHANGE EVERYTHING – and I mean EVERYTHING – about your life.

Q – Would you be able to boost your immune system so you would not get sick if you had to take the vaccine for your job?

If you take it willingly, you have turned your back on God, and you will not be able to overcome its ill effects – for THAT reason!

Q – As ppl get tested for Covid and they are being vaccinated, are they chipping them too?

They have the ability to do that.

Q – Please explain what Trump was doing in his “quarantine”. Was he hiding out because, people are after his life? I’m pretty sure the Illuminati is after him too.

I'm not sure how that's relevant to Revelation 18. Can you clarify that for me?

Q – When do you think they will be taking things away (Bibles, our homes, us)?

I certainly don't know their exact time-line.

Q – When do you think they will start to imprison us, enslave us or kill us?

They've been killing us for years: abortion, drug medications, illicit street drugs, chemotherapy, radiation, chemtrails, MSG, Aspartame, processed foods, wars, etc.

Q – How much longer will we have some normalcy & some safety?

Again, I do not know their timeline? Can you tell me how it makes a difference to know precisely when that will happen?

Q – Dr Day, you are mentioning now what happens to our bodies after we are redeemed. If you have been married 2X, is there any issue when we are all together? Issue meaning–no sexual interest, or jealousy. How will it be?

When the Sadducees asked Jesus this question, His response was: "You haven't been reading the Scriptures." Read Matt 22:23–30 for the answer to your questions.

Q – Aren't we coming back not as people made of flesh but as spiritual beings?

No, we are NOT going to be ghosts. When Jesus was resurrected, He was flesh and bone, and was recognizable as a regular human being. THAT is our answer to how we will look after the resurrection.

Q – I thought that we would be coming back as angels or something like that.

No. That's NOT what the Bible says. Again, look at Jesus when He came out of the tomb. His disciples recognized Him – – – in human form.

Q – Why do we need food if we will be living forever?

Why not? Food is enjoyable to eat!

Q – In other words, how can flesh and blood people live forever?

When they're perfect!

Q – Do you think that Trump or Kushner is the Meshiach that the Jews are "talking to"?

Why would it be either of them?

Q – Dr Day, Would you take a moment and clarify the doctrine of devils? I don't understand

If you have my book, "Who Rewrote the Bible?" that is the topic of a whole chapter.

Q – Dr Day, since we need to let Jesus make all decisions in our life can you give some guidance for business owners who have to make numerous decisions every day. How can we know that the decisions that we make every day are what Jesus wants us to do?

By diligently studying His Word every day, by keeping the Saturday Sabbath holy every week, by paying your tithe, by keeping the commandments, by doing all God asks us to do. Then He will open your mind to "all truth" and you will know how to do the right thing.

Q – Dr Day, where does it say in the Bible not to take the vaccine?

Rev 18:23 But you have to understand that text. I explain it in my book, "Who Rewrote the Bible?"

Q – Dr. Day – Can you share your thoughts next week on 5G and how this may impact us as it continues to roll out globally?

We won't have time to do that. You can find that information on the internet.

Q – And, any connection it has with the vaccine depopulation agenda which I am hearing?

Again, that information is available on the internet.

Q – Do we still have blood when God change us in a New creation or person?

After His resurrection, Jesus referred to Himself as "flesh and bone" and He could walk through walls. Clearly, He "ran on a different physiological system" than He did before His crucifixion.

Q- For Lilly – will you be posting the Nov 13, 14 & 15 session on your radio show and the FB group?

Yes... I will also post it in my blog!
