

Week 12 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q – When would we be expected to pay for them for the preorder?

(From Lillian) Once we get to 25 people interested. We can start the process. As soon as we place the order.

Q – How long do we have access to the recordings?

(From Lillian) As long as we have internet.

Q – Many times in the Old Testament, God commanded the Israelites to kill their enemies

That's why it's necessary to study the WHOLE Bible. I discussed this in one of the first seminars. God brought the Israelites out of Egypt with NO weapons. When they got to the Red Sea and the Egyptians were coming after them, they started yelling at Moses, saying, "You brought us out here to die." Moses said to them, "You keep silent and watch GOD fight for you" and God opened the Red Sea. God never wanted the Israelites to fight and kill. He was going to drive the Canaanites out with bees and hornets. It was the ISRAELITES who chose to fight and kill.

Q – For some of the sins like adultery the Israelites they were to stone the adultery?

At Sinai, God wanted to “talk to the Israelites directly.” The Israelites refused. God wanted to “put the law in their heart so they would DO right because it IS right. Since the Israelites refused to let God do that, he had to write many, many civil laws to keep order. God was showing that “sin leads to death.” Those people will be resurrected for the Judgment, will reap what they have sown, and eventually will live for eternity.

Q – How much for the cds or dvd's?

(From Lillian) I am shopping around... But so far it is between \$90 to \$120 for the entire 12 weeks of DVD.

Q – Dr Day: I understand the 10 laws and I know the 10 commandments but what are the decrees?

Love your enemies, do good to those who hate you, pay your tithe. Your body is the temple: He that destroys God’s temple, him will God destroy, and many others like that.

Q – Does God allow killing in war as He allowed for the Israelites to kill?

That’s why it’s necessary to study the WHOLE Bible. I discussed this in one of the first seminars. God brought the Israelites out of Egypt with NO weapons. When they got to the Red Sea and the Egyptians were coming after them, they started yelling at Moses, saying, “You brought us out here to die.” Moses said to them, “You keep silent and watch GOD fight for you” and God opened the Red Sea. God never wanted the Israelites to fight and kill. He was going to drive the Canaanites out with bees and hornets. It was the ISRAELITES who chose to fight and kill.

Q – What are the laws and decrees?

The “laws” include all of God’s health laws, that are in my books and DVDs. The decrees include things like: Love your enemies, do good to those who hate you, pay your tithe, Your body is the temple: He that destroys God’s temple, him will God destroy, and many others like that.

Q – Dr Day, Did you ever doubt that you were following the 10 laws with 100 percent trust. I sometimes get stuck on the law of “Trust in God”. I worry that perhaps I am not trusting him 100 percent and don't struggle with that. You will be tested soon enough, and it will become apparent whether or not you are trusting God 100%.

Q – You have said everyone will reap what they sow: does that mean everyone's sin will be burned out; just if you are following Christ turning back to God will not take as much burning out?

I'm sorry, I don't understand your question.

Q – Did Adam and Eve's children marry each other to get the human race started?

Yes.

Q – We will live forever? Will we be babes and grow older or just come back older?

The Bible doesn't say, but I imagine we will come back at the age we were when we died, but we won't look old.

Q – Dr Day, Do you have any advice on how to tell your loved ones, that "The Jews are the chosen people, Jerusalem is where Jesus will come down, etc" that they are interpreting the bible literally?

You can't give something away that you don't already have. In order to explain that to anyone, you have to know the Bible very well yourself.

Q – When the righteous are in Heaven after the 2nd coming for the Millennium, are there tears, sorrow, & pain there if those things don't go away until the eon of the eons?

There will obviously be some sorrow if your loved ones aren't all there. But you will learn that you will see them after they have reaped what they have sown, and for all eternity.

Q – Dr Day, I understand that God will be with us and go through everything with us, but as a Mother I would want to shield my children from any pain, not just go through it with them.

That’s why God is God – and we are not!

Q – Why would taking the vaccine be denying God? All my children took vaccines to start school and I remember when I was in 3rd grade, which was a long time ago, the health dept. lined us all up in school to take the polio vaccine. So why now would it be denying God?

It was against God’s will THEN, you just weren’t aware of it. Vaccines ALL contain poison, and they do NOT prevent disease. They CAUSE disease.

Q – if you are not a member of a church, where do you give your tithes?

There’s no scarcity of people who are in need.

Q – Dr Day how did you stay hydrated without an IV while you were sick?

I discuss that on my DVD, “Cancer Doesn’t Scare Me Anymore.”

Q – I would like to know about tithes too. Isn’t tithing an Israelite command because they gave it to the Levites since the Levites did not have an inheritance. didn’t it change in the N.T. from tithing to just simply giving alms and being kind to everyone? especially the poor.

God has never rescinded His order for us to pay tithe. Why would we not want to give back just 10% to God (what He asks for) when He has given us EVERYTHING, including our life?

Q – Dr. Day if there’s no ocean in heaven all the whales and dolphins are gone too?

No. There will be plenty of huge lakes.

Q – In Exodus 32:14 it says; “And the LORD repented of what he had done.” Referring to when Moshe (Moses) repented for Israel, for making the golden Calf. Is the right translation in the Strong’s?

God’s wrath is very different from human wrath. And God’s use of the word “repent” is very different from our use of the word “repent.”

Q – Dr. Day I just read that CERN says they have proven God's existence by experiment. What do you think?

You would have to tell me a whole lot MORE about the supposed experiment before I could comment.

Pastor Paul Begley says they could unleash an Angel of destruction of Bible's Book of Revelation as Abaddon or Apollyon. (Multi-billion CERN experiment 'proves GOD' is real, claims Bible expert)

Q – Are you raw vegan or vegan? Just wondering.

I eat some cooked food.

Q – Are we going to be Spirits or will we have a body like we have now ?

When Jesus was resurrected was He a ghost, or did he have a body? That is your answer.

Q – Will we be with the same Family we had here on earth ?

Yes.

Q – Some say, “children will be doing math and school in Heaven.” Will we?

People of ALL ages will have a LOT to learn. But there won't be “school buildings” like there are on earth now.

Q – Dr Day, would you describe the religious movement going on now, with Paula White, the Quanon, James Robinson, and all his spiritual advisors as...Apostasy Christianity...not true Christianity?

Apostasy. Paula White speaks in tongues. THAT is NOT of God.

Q – My first wife passed away with Breast Cancer, God has blessed me with another Beautiful wife. 2 questions: Please if you can, give me biblical references....1: My first wife when resurrected will still have to heal from Breast Cancer?

Yes. “God will NOT be mocked. Whatsoever a man sows, that shall he also reap.” Galatians 6:7 Your first wife gave herself breast cancer, just like I did,

and just like EVERYONE gives themselves disease: by the way we live, think, act, eat, and handle stress.

Q – 2: So when I am resurrected along with my 2nd wife, am I going to get a black eye from my first wife?? Ha no but how will that work? are we still going to have sexual relations in the new world? Children?

No. Luke 20:27-10 No marriage in heaven.

Q – Where does it talk about the conclusion of the eons? Is there a certain book in the bible that calls that out?

Heb 9:26, 1 Cor 10:11, Matt 24:3 ALL say “end (conclusion) of the eons” in the original, but each of those verses is mistranslated in the present-day translations.

Q – Dr Day. you mentioned that the US will be 2/3 gone by 2025. Can you elaborate?

That’s what the Illuminati is predicting, by the “population numbers” given in government statistics for 2025.

Q – Dr. Day, Is there going to be an actual person who will be named THE ANTICHRIST? I think you say it is a collective mentality.

The AntiChrist/Beast power is a SYSTEM – the Illuminati and all of its functionaries – not a specific individual.

Q – Do the Illuminati know that when they kill 6 billion many of those that die will be people who have the KNOWLEDGE to supply their lifestyle like food, cars, yachts and fix their computers. So therefore their lifestyle will go downhill so why would they do something that will severely damage their lifestyle?

There are very few Illuminati compared to the general population of the world. They have that problem all figured out. They won’t need many slaves to take care of them.

Q– How will the Illuminati know that project BlueBeam is going to work if they haven’t tested it?

They HAVE tested it, but in confined areas.

Q – Do you know why man removed books such as Enoch, Baruch, Tobit, Maccabees, etc, also called Apocrypha?

They aren't "removed books" – they are "ADDED" books in the Catholic Bible.

Q – Numbers 25:4–5 God told Moses to have his men hang and kill their enemies even young boys. and pillage their possessions & they can keep the young girls for themselves. Is that written in since it makes God look like a murdering vengeful God and not a loving father? I am studying the Bible intensely analyzing every word and according to what you taught us.

It takes a whole lot more than 3 months to study the Bible diligently to find answers to difficult questions. You can't even read it through ONCE in that period of time. Keep studying.

Q – Dr Day. I know you have children and grandchildren. Do you think it is right to inform them what is coming?

My grown sons know what is coming. I don't get specific with my 9-year-old granddaughters. I spend time teaching them how to trust God, and how He can protect us from many things, using the stories of Daniel in the Lions' den, the 3 young men in the fiery furnace, etc.

Q – I know we should impart our wisdom to them, but I am not sure my children could understand it, they are in their 20's and one daughter is trying to get pregnant. Shall I advise her not to with what is coming?

That's a question you should discuss with God.

Q – Who will be written in the book of life?

Those who are true Christians. Eventually, after everyone reaps what he has sown, that will include everyone.

Q– Will all ppl be cast into the lake of fire?

Please read again the handout for that seminar where I discuss the "lake of fire."

Q – if you leave your phone at home, and run away, no Apple Watch either, head to the woods with a backpack, will the Illuminati still find us?

They have that ability, yes.

Q – You have been very instrumental in me wrong a book called THE TRUE PURPOSE FOR BEING. would you mind reading over it before I send for publication? I don't want to say anything misleading and I certainly respect your knowledge and would appreciate your constructive criticism. It is a book for the 10–16 year old's.

If I read all the things people send me, or wish to send me, I wouldn't have time to eat or sleep, much less get any work done.

Q – Is the lake of fire only spiritual fire, but it will be painful and hot like a real fire?

It is NOT “real fire.” It symbolizes “burning the sin out of your life” as you learn more and more about Jesus Christ and begin following His ways.

Q – I was praying and thinking about Noah's experience. I heard Holy Spirit, (I think it was) say "abomination of rain".

I don't remember reading anything about “abomination of rain.”

Q – Do you think God brought the rain or the rain was a reaping of the evilness done among man and earth during that time?

Romans 11:36 says “ALL is of God.”

Q – After Adam & Eve were brought together, why did God say man will leave father & mother and cling to his wife in Genesis when Adam & Eve did not have parents?

Everything God said in Genesis was not necessarily directed towards Adam and Eve.

Q – Dr Day, I heard you in a radio show that the Shield around the earth is to protect sin from leaving this earth. (I forgot the name of the shield.)

Van Allen Radiation belt.

Q – Do you think all the planets around us are also uninhabited or a race that never "fell"?

There is some evidence in the book of Job that there may be other inhabited planets that have not fallen into sin.

Q for Lillian: That was so impressive on the patent radio show, why hasn't that ever made it to mainstream media? It was just the facts?

Thank You. Because the mainstream media is controlled by evil. Not only will they not mention it, but they will also not prosecute them. It is blatant.

Q – Do any of these "1050 commands" cover the laws and decrees?

https://www.abc.net.au/reslib/201407/r1308729_17984331.pdf

Some do. But if one's heart is right with God, no one has to list 1050 commands.

Q – Ms. Day, is there a way to get married without a marriage agreement?

What do you mean by a "marriage agreement"?

Q – Dr. Day: On your website you had a video of supposedly congressman taking the vaccine with the cap on....Do you think none of the cabinet and congress will take it and are laughing at us?

Probably.

Q – You state that some people will not be "safe to save." You also state that everyone will ultimately be saved through Universal Restoration/Reconciliation. Can you describe how the "not safe to be saved" will be reconciled to God in the end?

The same way ANYONE becomes converted to worshipping the true God. God knows what they have to be taken through to get to that point.

Q – Dr. Day, after the 40 years in the Wilderness – ONLY 2 (Joshua & Caleb) made it into the promised land and in the flood ONLY 8 people made it into the Ark. How do we know for sure that we will be in the small remnant that goes with Jesus to Heaven in the 1st resurrection at His 2nd coming?

We don't.

Q – DR Day: My husband said that he heard you say that Angela Merkel is Jewish. He knows her and says that is not true.

Angela Merkel's maiden name is Kasner. You can't get much more Jewish than that. There is overwhelming evidence she is Jewish. She received the Theodor Herzl award from the World Jewish Congress. They don't give that award to Gentiles.

Headline (below) on Jewish Congress website.

Theodor Herzl Award recipient Angela Merkel vows firm stance on online hate

Wikipedia says: 1968, Merkel joined the [Free German Youth \(FDJ\)](#), the official [communist](#) youth movement sponsored by the ruling Marxist-Leninist [Socialist Unity Party of Germany](#).

Angela Merkel pretends to be a Christian – a Lutheran. You can't be a Christian and be a COMMUNIST!

Q – Since he has Jewish roots do you think people that have Jewish roots have some kind of "Evil spirit"?

No one is inherently evil just because of their ethnicity.
