

Week 3 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q – I now understand that speaking in tongues is of Satan. The church also teaches that we MUST be baptized to be saved. Is this true or false?

False. The thief on the cross wasn't baptized and Jesus said he would be saved.

Q – How do we study the Bible using the Interlinear Bible and the Strong's Concordance. In other words if we use the Kings James and the Strong's Concordance how do we use the Interlinear instead of the King James?

That is not a simple answer. I explain that in great detail in Chapter 3 of my book, "Who Rewrote the Bible?"

Q – Some say the Bible is part Symbolic and part Literal how can we determine which part is which?

It takes a great deal of study. But one of the rules is the one I gave tonight during the Seminar: The first is physical and the second is spiritual as it states in 1 Cor., chapter 15.

Q – I am struggling with the fact that God used animals, lambs to represent sacrifice. How is that loving to roast an animal?

Are you saying you have never roasted a chicken or a cow or a fish? What would you have preferred that God used? Remember it had to be something alive – that would bleed when it was killed – just like Christ did.

Q – Would that also endorse non-vegetarian meals?

God gave us His IDEAL diet – in the Garden of Eden, in the Exodus, and what we will eat in heaven and the New Earth.

You're mixing apples and oranges!

Q – There's no volcanoes before the flood?

I've never studied that because it didn't seem to be an important fact to learn in order to Trust God.

Q – Dr Day, you mentioned your new book. With all the censorship with conspiracy theories, quanon etc, do you think your book will be exploited and can the government ban it?

I will leave that up to God.

Q – What about blasphemy of the Holy Spirit? What is that?

It's hard to answer questions that begin with "What about..." Can you clarify your question and make it more specific, and please give the verse you are referring to?

Q – Dr Day, you mentioned that God is in control of every circumstances in our life. I don't understand how our limited will plays a part in it?

I don't understand your question. "Our limited will plays a part" in what?

Q – What does the word "armed" (KJV) mean in Ex 13:18b "and the sons of Israel went up armed from the land of Egypt."

I don't know what version you are reading, but in the original it says "they went up in orderly ranks."

Q – Dr Day. you are referring of the hand to the lamb, symbolically transfer the sin of man to the lamb. Does that mean the lamb was not hurt?

The lamb was killed as a sacrifice.

Q – Dr. Day, do you have an article in your site explaining about El Shaddai?

It doesn't really need an article. It's just what El Shaddai means. That can be found in a Hebrew dictionary.

Q – I understand that Jesus was not baptized in a church. That's why I asked where I can go to be baptized. I want to be obedient to the command to be baptized, but the only Christians I know belong to the organized church system. So again I ask, to whom can I go to be baptized?

If you concentrate on learning everything you need to know in order to be closer to Jesus Christ than you are to any human being on earth, if Jesus wants you to be baptized, He will provide a way.

Q – Dr. Day, in Roman 9:27 "Esaias also crieth concerning Israel, though the number of the children of Israel be as the sand of the sea, a remnant shall be saved: ..." Does "the remnant" group is referred to the ones that will go up with Jesus at his 2nd coming, representing the people that were true follower and obedient to God? Thank you!

Yes. And the rest will learn how to be true followers and obedient to God after that Judgment.

Q – Dr Day, you are talking about fermentation and its relation to sin. Is it a leap to think that fermented foods are against Gods Health Plan? I have read that fermentation is good for your gut.

God didn't create ANY type of food already fermented. God created EVERY FOOD FRESH.

Q – Dr Day, you just gave an analogy of abolishing Death. Is it not an assumption that the word could have meant, Death would be abolished from that moment on? It would not mean for those that died?

Then the Bible would have said that God would abolish "dying;." That's not what it says. God says He will abolish DEATH.

Q – Re (Lesson 13) Jesus has fulfilled the Spring Feasts, but what about the Fall Feasts--Trumpets, Tabernacles???

Tabernacles was a memorial of God bringing the Egyptians out of physical slavery which symbolized Jesus bringing the whole world out of Spiritual slavery – by His death on the Cross. That was fulfilled in Jesus' death.

I have never been able to find out, in the Bible, any specific symbolism or reason for the Trumpets being blown.

Q – Dr Day, you mentioned that God will save your children and family. Is that promise before the 2nd resurrection?

No.

Q – Dr Day, you referred to the message that Jesus said on the cross "It is Finished". Was that in the present? Wouldn't it mean in the future?

His Death on the cross for the sin of the world gave Him the authority to save everyone in the world. That was accomplished at the cross. It just has to be worked out in everyone's life.

Q – Where do we go to learn about the 1st eon?

A very deep and diligent study of Genesis 1:1–3

Q – What is the verse for Lesson 16?

Lesson 16 is about Self Defense

Q – gold, silver, and yard goods?

Exodus: 12:35

Q – Dr Day you are talking about the vaccine, AM I naïve as I can't wrap my head around that my doctor and all my colleagues (forget the MSM) feel confident that the vaccination is safe? Do they not know?

Doctors know very little about health and very little about disease. Doctors are not taught to "think." They are taught to repeat what their professors tell them.

Q – Do others agree with you that the vaccination will kill everybody ? Where can I hear them say what you say?

www.goodnewsaboutgod.com

On the home page, on the right: Dr. Day's Updates/

On the left: Latest Postings

Q – Dr Day, God knows our heart. You are talking about the vaccine and presumption. Would it not be presumption when you are trying to feed your children? As a teacher, it may be mandatory. I would think that's compassion for your family.

Do you think YOU are a better provider for your children than God is? Who CREATED your children? Who CREATED You?

Q – Dr Day You have made statements that if we as Christians just read the Bible. Unfortunately, I have family that say that there are many interpretations, and their Interpretation is always attached to hell and burning. I have your books and work hard to have my mind clear of other interpretations, but this is one of the reasons I listen to your teachings. Did you ever struggle with your parent's interpretation?

Yes. For many years, I did. That's why I have continued to do such intense studying for so many years.

Q – How about naturopathic Treatments, etc.

How many human bodies has ANY naturopath created?

Q – Dr. Day You mentioned you drank a lot of Juice to get well.

“Juicing” is just one tiny part of the nutrition part of the Health Plan. And the “Nutrition” part is just ONE STEP out of Ten. NO ONE can get well from anything just by “juicing.” One must follow ALL Ten Steps with 100% commitment in order to get well.

Q – Did you use a juicer, and the juicer eliminated the pulp OR did you use a blender, and did you drink the juice mixed with the pulp? Could you recommend a juicer or blender?

Juice is Juice. A smoothie is a smoothie. In one of the books on my website I talk extensively about which is which and what is necessary and why.

Q – Dr Day: Is it not cognitive dissonance that God would kill a first born child and he says God is love?

Will that child get his life back and live for eternity in perfect health with everyone he has ever loved?

Q – Ex 12:35 ...gold, silver and clothing.. you said yard goods (what does that mean)?

Fabric.

Q – In this text Israelites in the Land of Palestine/Canaan which is the Promised Land, Joshua 23:16 ¹⁶ If you violate the covenant of the Lord your God, which he commanded you, and go and serve other gods and bow down to them, the Lord's anger will burn against you, and you will quickly perish from the good land he has given you." The Palestinians are in a horrible situation since I learn how the Jews did to them and in their land specially in the killings, is this a fulfillment in the text of Joshua 23:16? because the Palestinians worshiping Allah as their god? Help me to understand the whole text. Thank you so much.

The Israelites were Christians, Not "Jews" so that text has nothing to do with what is happening in Israel now.

Q – How to help the suffering and ill when they believe in doctors only, but make our life miserable to a point you don't want to help. Do I just keep praying?

Not just "praying." You have to do ALL the things God wants you to do, so your life is completely changed.

Q – I lose my way to be humble, not arrogant I struggle with my mental care that has been asked of me, yet I love this person but being treated poorly – I think I am getting the disease.

What "disease"?

Q – Is it ok to drink red wine? Not for communion just with dinner?

All alcoholic beverages are DRUGS. They permanently DESTROY brain cells and liver cells, and they make a person do STUPID things. In my book, "Who Rewrote the Bible?" I show the difference between fermented wine (old wine) and Unfermented grape juice (referred to in the Bible as New Wine).

Q – Dr. Day, what day and month to celebrate the “Thanksgiving?

The fourth Thursday of November.

Q – If all the Feasts were abolished, is there still any feast that we, Christians, should keep?

No.

Q – Dr. Day – I have been following the plan from your starter package. I had high blood pressure previously and stopped taking the medication a couple of months before I discovered your plan. But my blood pressure has been going back up even though I have lost weight and completely changed my lifestyle while following your plan. What do you recommend I do to regulate my blood pressure? I do not see any doctors, but I am concerned about the continuous high blood pressure. Thank you.

If you're not getting better, it's not “the plan” that is the problem, and it's not “God” who is the problem. The problem is ALWAYS with us. It means you're not doing the Health Plan – ALL parts of it – with 100% commitment. How many times did you study EVERY item in the Starter package?

Q – How do we see and trust God as loving when he did something as awful as kill all first born babies, that would have been horrific.

Will those babies get their life back and live for eternity, in a blissful healthy state, and with everyone they have ever loved?

Q – How do you still have a peace about Gods plan?

Because I look at it through God's perspective – not man's.

Q – Does what happen in this life really matter at all?

It is in THIS life that we learn to change so we are able to enter the Next life (Eternity).

Q – Did you have doubt that God would heal you after suffering and getting worse for so long?

I kept studying God's word and making sure that I was doing EVERYTHING He wanted me to do.

Q – Hi Dr Day, If you had Diabetic Retinopathy and your bleeding retina caused a cloud to dim your vision, would you take the eye shots that the doctors are insisting on? Would you have the procedure to suck out the eye fluid, have it filtered and put back in without the blood, to clear your vision so you could see again? I have your CD on Vision, but there's little if not nothing on Retinopathy there.

If I had Diabetic Retinopathy, I would CHANGE the way I was living, eating, and handling stress so I would get rid of my Diabetes, and then my Diabetic Retinopathy would also go away.

Q – Hi Dr Day, I read about a Dr Kempner from Duke University in NC who cured a 12-year-old girl from Retinopathy with a diet of Fruit and White Rice in 1958. My doctor says nothing I do can cure my Retinopathy except the **shots in the eye...**

How many human beings has Dr. Kempner ever created?

Q – I realize that even with the old testament, God is not a "killer God." The Israelites took it upon themselves to pick up weapons and fight their enemies. That was not God's plan. Why did Moses tell the Israelites that they are to kill each other when there is a violation of the rules such as working on the Sabbath. The Bible specifically says if someone is working on the Sabbath they are to be stoned. Why would God give Moses a rule to kill the Israelites when they sin?

God was showing them that SIN leads to DEATH! And it STILL does – it just takes longer now.

Q – You mentioned that the last supper was just a meal and not meant to be duplicated by Christians today. The Bible tells us in Luke 22 verses 19 and 20, that "Then he took the bread, said the blessing, broke it, and gave it to them, saying, 'This is my body, which will be given for you, do this in memory of me'. And likewise, the cup after they had eaten, saying, 'This cup is the new covenant in my blood which I will shed for you.' " We have taken this to mean this should be repeated "in memory of me." That it was not "just a meal." Further, in John 6, vs 53 "Amen, Amen, I say to you, unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you. Whoever

eats my flesh and drinks my blood has eternal life and I will raise him on the last day. For my flesh is true food and my blood is true drink. Whoever eats my flesh and drinks my blood remains in me and I in him."

You have answered your own question.

When Jesus said, "Drink My blood and eat My flesh" He was telling everyone to "Devour His Word" - to Diligently study the Bible.

"In the beginning was the Word, and the Word WAS God, and the Word was WITH God. . . And the WORD became Flesh and Dwelt among us." Rev 1:1,14

Jesus IS the Word.

It is very troubling when Christians make their own choices about what words are to be taken literally and what words are symbolic. Can you please explain why you would say the last supper was "just a meal," and not a special event in Jesus' time on earth that he wanted us to repeat in memory of him?

Christian LOVE participating in "rituals" because it is a whole lot easier than hunkering down and studying the Bible diligently and in depth.

Jesus said He HATED the rituals of the Israelites, even though God was the One who instituted them. (Amos 5:21; Isa 1:14 - and many others)

Jesus HATED the rituals because the Israelites focused on the "rituals" rather than who they represented.

The same thing has happened in our era.
