

Week 4 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q - Who was in charge when Jesus was dead till he rose?

Do you mean for those 2 or 3 hours? Answer: God!

Q – Dr Day, please help me with this question: I have spent hours looking for historical writings on the veracity of Jesus Christ in his time. There is so much written on King Herod, Pontius Pilate etc. Why are there not many writings outside the Bible? I couldn't find anything in your book Who Rewrote the Bible" thank you

One was the historian, Josephus.

Also, on my website at www.goodnewsaboutgod.com I have a book called "The Man of Galilee" which shows how it's possible to prove Jesus not only existed but did all the things He was said to have done, without using the Bible as a reference.

Q – David was God's anointed but he had a few wives, and this was after the 10 commandments were given, did David get away with this multiple wife lifestyle?

As David got older, when he finally learned all God wanted to teach him, David "put away" all his other wives (meaning he no longer had an intimate relationship with any of them) and had only Bathsheba as his wife.

Q – How do we know animals did not eat animals until after Adam and Eve sinned?

Because God defines their diet in Genesis 1:29.

Q – Dr Day, I have been vegan for over 20 yrs, and vegetarian 30 yrs, so I'm fully on board! But could you point out the scriptures that say that a vegan diet is what God wants for us? Thank you!

I just did that in today's seminar. I spent quite a bit of time showing, from the Bible, God's Ideal diet for us. Please watch the seminar again.

Q – So carnivores will not be saved?

Not until they become herbivores. Otherwise, the animals would not be safe.

Q – Wouldn't being a vegetarian be acceptable to Gods promises....I am thinking butter and eggs will be admissible. Is that not true?

I doubt there will be butter in heaven or the New Earth. If God had wanted us to eat butter, He would have had butter grow in the garden.

And eggs are for reproduction of the young – not for eating. When you eat eggs, you eat all the hormones of the animal. No one needs more hormones than God gave each individual.

Q – Dr Day: What did Jesus do for those few hours on Friday in the grave?

Nothing. He was Dead.

Q – Dr Day, you said that the Mark of the Beast is not physical, but in Revelation, it says that the mark would be in the right hand or the forehead, and unless you have this mark, you would not be able to buy or sell. That sounds like a physical mark to me. Could you explain this a little further? Thank you.

As I explained in the Revelation seminar, the word “Mark” in the phrase “Mark of the Beast” is the Greek word *charagma* – which means character. When the “mark” is in the forehead (where your frontal lobes are – which is where you make your decisions), it means that you AGREE intellectually with what the beast power is doing. When you have the “mark” in your hand, it means that

you don't necessarily agree with what the New World Order is doing, but you're willing to go along with it in order to keep your job, or in order to have food, or shelter, etc.

Q – The evangelical church teaches that faith in Christ is the only requirement to enter into heaven.

In your analysis, how is that “faith” exhibited? Jesus said, “If you LOVE Me, KEEP My Commandments.” John 14:15

Unfortunately, most churches and denominations today have a very lightweight view of God and His requirements. Jesus said those people “have a form of godliness, without any power.” 2 Tim 3:5–7

Q – But you are saying there are many requirements such as veganism,

Jesus said, “Your body is God’s temple.” (1 Cor 6:19–20) He who destroys God’s temple, him will God destroy.” (1 Cor 3:17)

Q – industriousness, keep the sabbath. many requirements. you say we must be perfect as God is perfect to go to heaven. it sounds like a works salvation.

The Bible says, “Faith without works is DEAD.” James 2:14

That means that if you say you have “faith” but your actions do not correspond with that faith – then your “faith” is USELESS.

If you are married and your husband says he loves you, is it “works” for your husband to be kind to you – to do what you ask him to do – to refrain from sleeping with other women? Would you consider that “works”?

Q – How can we know if we are right with God?

Again, Jesus said, “If you LOVE Me, Keep My Commandments (ALL Ten of them). John 14:15

Q – Dr Day, I never gave blood, but is giving blood a bad thing according to the Bible, or organs? like if a parent could give blood to his child because the type is right, would it be acceptable, or a kidney? Thank you very much!

We know for sure that God does not approve of organ transplants because He made the body to REJECT them. The only way modern medicine can force the

body to accept an organ transplant is to completely DESTROY the wonderful immune system God has given us. And by doing so and continuing to have the patient take these harmful drugs, it will eventually lead to the patient's untimely death, frequently from cancer.

God has given us a way to get well. That's much better than getting someone else's organ as a transplant.

Q – Dr Day : You have said there is no virus with the Covid 19. What is it that kills people with the vaccine?

I'm not sure I understand your question, but there's no Covid-19 virus in the shots. And the shots are not vaccines. They are POISONS that are meant to KILL YOU.

Q – What I understand that you say is that it is not the germs that kill but the garbage in our body, Doesn't everyone have some garbage in their body?

I think you have a number of my materials. Do you have my DVD, "Drugs Never Cure Disease"? I explain this whole situation on that DVD.

Q – Dr. Day, if it's a kill shot do you think it has a Potassium Chloride?

No. It's an mRNA injection. Potassium Chloride would kill a person too fast. Then everyone would immediately know that the shot killed the person.

Q – Dr. Day, The Israelites were Christians and when they leave from Egypt they were "mixed multitude "

Apparently, the Egyptians sent some of their "undesirables" with the Israelites, just like Castro did when he allowed some Cubans to come to the U.S.

Q – Dr Day, you say that the 3rd temple is the Judaizing of the evangelical interpretation. What is the purpose of the 3rd temple then?

I'm sorry. I don't understand what you mean by the "Judaizing of the evangelical interpretation." Those are not my words. I don't even know what you mean by that.

Q – When we are on the new earth, will we still remember the bad and good on the old earth, including our sins?

Of course. That's what this life is all about – to learn not to do those bad things, and to remember the good.

Q – When all people are forced to take the “vaccine”, will the people be so intoxicated from the shot, they'll just bow down to the idol, even though they knew better before taking it?

The shot is not to get you to bow down to any idol. The shot is to make you sick and ultimately to kill you.

Q – Before I knew all these truths I had 2 COVID tests, will I get ill?

Possibly.

Q – Dr Day You have said that "not one person was put on this earth that God did not plan. I don't understand why we were put on this earth at this time if we aren't going to live a long life for him?"

Look at the huge impact Jesus Christ had on the world and He only lived on this earth for 33 years.

Q – Lillian: What do you talk about at the I AM SOLUTION?

[From Lillian] Please check out my last video

https://www.youtube.com/watch?v=9G_OLZol_g0&t=137s

Q – If we are to be resurrected after reaping and sowing is choosing cremation wrong?

The Bible doesn't say anything against cremation.

Q – Dr. Day, how about those Christians who will join in Apostasy or they will worship the Beast though they know Jesus is God were they resurrected in 2nd resurrection together with the unbelievers?

Yes.

Q – Dr Day, during the 2nd Resurrection, what will the sowing & reaping be like? Does the Bible give any indication of this?

The Bible says “there will be weeping and gnashing of teeth.”

Q – Dr Day, you say that God loves us more than we will know...Won't he answer our prayers for protection for our children in all areas. including the vaccine?

That is not faith. That is presumption, something Jesus said we should NEVER have.

Q – Dr Day If they make us take the shot unwillingly, is that what you talk about regarding the physical demise of us?

I'm sorry, I don't understand your question.

Q – Dr Day, you refer to flesh food, wouldn't that mean that butter and eggs are ok?

Please see my answer above.

Q – Dr. Day--Is it true that Revelation was the first book of the Bible until King James ordered the 1611 translation?

I have never found any evidence to support that.

Q – Also, is it true that Genesis was the last before the 1611 translation?

Same answer.

Q – Could this be why the Puritans understood the Scriptures and end times so well?

Who says the Puritans understood the Scriptures and end times well? And what is their evidence?

Q – Is there a connection to the formation of the Society of Jesus (Jesuits) and King James?

I have no evidence for that.

Q – Was it the Society of Jesus that worked with King James to change the name of Messiah to Jesus (in place of the Hebrew name) in the 1611 KJV authorized translation?

I have no evidence for that.

Q – When we are raptured up from the earth, will our pets be raptured with us? Also, when the dead arise from the grave, will our pets arise too? I love my bunnies!

The Bible doesn't specifically give the answer to those questions.

Q – How do I order the Revelation DVD set? Is it on the Website?

<https://www.lillianmcdermott.com/product/the-book-of-revelation-dvd-set/>

Q – When will your book on the New World Order be ready for purchase?

It should be available on both of my websites by Wednesday.

Q – Dr Day: Do you think I can juice for my mom every day to kill any side effects of the vaccine.

Juicing will not eliminate the damage done by the vaccine.

Q – Dr Day, in your new book will there be info about Universal Restoration and the answer to all the things happening now? I want to gift it and get one for myself.

There is some information about Universal Restoration, but that is not primarily what the book is about. A better book regarding Universal Restoration is, "If Jesus Died for All, Why Can't He Save ALL?" which is found on both of my websites.
