

Week 5 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q – I know the 10 commandments, what are Gods laws and decrees so I can obey them. Please be specific.

God's laws include all of God's Health Laws that I discuss in great detail in my health materials. And God's decrees include, but are not limited to, learning to forgive everyone who has ever wronged you, learning to give up anger and grudge-holding, learning to give up fear, anxiety, worry, and learning to trust God with everything in your life.

Q – Can you take quality time to cover Covid-19 tests and vaccinations because saying people will be dead within 2 years is a very serious statement to say that our government is going to kill the majority of Americans is serious

If you read my new book, *The Deliberate Destruction of America and the World: Who's Doing it and Why*, you will find that our government, and the ones who run it from behind the scenes, have TOLD us, in many different documents, that they plan to do this to us. In the first chapter of the book, I give 14 "Roadmaps" – most of them written by these people, flat out telling us they plan to kill the majority of Americans AND the majority of the people in the entire world.

Q – Dr Day, you mentioned that Jesus was dead for a few hours, why would he have to be there even for a short time.

Sin leads to death, and someone had to pay the price for sin. So, Jesus paid that price. If He hadn't done that, Satan would have cried "Foul!"

Q – If His spirit and body were one,

The word "spirit" is actually the word "Breath." When you have breath, you are alive. When you no longer have breath, you are dead.

Q – Why would he have to even go there at all? He says that it is his spirit that will resurrect us, trying to understand the purpose of that.

I'm sorry, I don't understand your last question/statement.

Q – You said you drank the juice of 35 pounds of carrots weekly in addition to all the other stuff you ate and drank. 35 pounds of carrots is several hundred carrots. How can any individual drink so much and what makes carrots so important?

I drank 8 glasses of carrot juice every day. Each glass takes about 3 carrots, so that's 24 carrots per day. I talk about the importance of carrots in great detail in my health materials on my website at www.drday.com

Q – If satan can't win people, then what is he doing? why tempt us?

Satan CAN win people temporarily, but he's no match for God. Satan thinks he's going to win in the end, but he will find out he has been wrong all along.

Q – What Strong's Concordance and what Interlinear Bible do you recommend and where do I buy them?

Strong's is the name of the Concordance. The Interlinear Bible is by Jay Green, and you can buy them both on the internet.

Q – Dr Day, I am not sure I understood the difference between Hebrews and Israelites, or is there a difference?

An Israelite is a genetic or ethnic designation. The Israelites were the direct offspring of Jacob, whose name was changed to Israel, so they were called "Israel-ites."

The word Hebrew is a spiritual designation. When a person worshiped the true God, and no longer worshiped pagan idols, he was called a Hebrew – a word

that means “to cross over” (“to cross over” from worshiping idols to worshiping God).

Q – And so the Pharisees are the Egyptians, right?

No. The Pharisees were Israelites who had brought back pagan traditions from Babylon after the Israelite captivity in Babylon.

Q – Dr Day, please let us know what has happened since your new book was published. I have been thinking about that, was there much controversy about it? Hope you haven't been censured.

I talked about that at the end of the session.

Q – Will we also be reunited with our pets?

The Bible doesn't tell us that specifically, but I believe we will be.

Q – Dr Day, What Pagan nation has taken us over?

The Illuminati – whose “holiest” book is the Jewish Babylonian Talmud – containing the pagan traditions from Babylon.

Q – Dr Day; Do you have any insight as to why God would make the concept of physical, then spiritual the way we should think about things? Why not just make everything spiritual?

Because most people have less trouble understanding the physical concepts than they do the spiritual concepts.

Q – Dr Day, does the 8th commandment mean we should worry to urgently pay our mortgage/ loan?

No.

Q – Is putting money in savings (like registered savings) wrong according to the Bible?

No.

Q – My goal is not to be rich but just make sure I can keep up with my children (in case I need a time to stabilize).

That is a prudent, responsible way to be.

Q – This class is wonderful!!! Thank you so much. If this vaccine is enforced to enter all grocery stores around the world is that part of the mark of the beast– I try to explain it to my dad who is a Christian and I have warned him a lot.

The vaccine itself is NOT the “Mark of the Beast.” Believing in “man” rather than God IS the “Mark (character) of the Beast.”

Q – Dr Day: What kind of answer can I give my friend who says " A cult says the same thing, that just follow me and what I say. If your rewards come in the next life, so be it. Jim Jones and his cult years ago, gave Kool aid to parents for kids and dangled the next life as their reward.

I don't understand your question. Does your friend not believe in an after-life?

Q – How do you know if you are trusting God, will I know?

Please read my Bible study entitled, “What Does it Mean to Believe?” (The words “believe” and “trust” are the same in the Greek). Here is the link:

Q – Which book of Doctor Days is the book where she did all the work for us in the Bible? Thank you

Q – Is cremation wrong?

No. There is nothing in the Bible that says cremation is wrong.
