

Week 6 Questions and Answers

Here are many of the questions raised but not answered during the live session.

Questions are in **BOLD**. Dr. Day's answers follow each question. Names are removed to protect privacy.

Q – Dr Day, you talked last week about the verse, "I will never leave you nor forsake you." Does that mean He will be with us when we will have to reap what we sow when that time comes? Can you please clarify? I am talking about at the judgement.

Absolutely! That is found in the Third Angel's message in Rev14:9–10.

"And the third angel followed them, saying with a loud voice, If any man worship the beast and his image and receive his mark in his forehead, or in his hand (that means that he has rejected God), the same shall drink of the wine of the wrath of God (God's "wrath" is: reaping what we have sown, according to Romans 1:18;21–26) poured out, undiluted, into the cup of His indignation (God's remedial discipline). And he shall be tormented with fire and brimstone (divine spiritual "fire" to "burn" the sin out of the person's life) **IN THE PRESENCE OF THE HOLY ANGELS AND IN THE PRESENCE OF THE LAMB.**"

There it is: Jesus and His angels will be with that person the **WHOLE** Time he or she is reaping what he has sown.

Q – Is God with us when we sleep or with those loved ones who sleep till the second coming?

I'm not sure what you mean. When a person is dead, he doesn't know anything. Or are you talking about when you go to bed at night and actually SLEEP?

Q – You mentioned before that water baptism is not required for salvation (thief on the cross). It is a symbolic practice. Given that is the case, SHOULD we be baptized to symbolize our identification with Jesus?

Since Jesus did it, obviously He endorses it. And it is a significant step to declare before friends and family, that you have given your life to the Lord.

Q – If a person has Cancer or Diabetes when they follow the Health Plan should they cut back on Fruit (Sugar). I was told that any sugar makes Cancer and Diabetes grow. How much fruit can they eat?

In my Starter Package I go into great detail about what a person CAN and CANNOT eat. But remember, it takes a whole lot MORE than just changing one's diet to reverse cancer (and diabetes). Information on the Starter Package is at this link: <https://www.drday.com/#healthplanpkg>

Q – Dr Day: You are talking about the earth being destroyed by fire, via oil in the earth etc. Will everyone on earth already be taken out or will there be people who will die that way?

Eventually, things will get so bad on earth (because it is now being run by Satan and his Illuminati agents) that weather control will wreak havoc on the earth, and it will most probably get completely out of control. There will be earthquakes and fires all over the earth. Jesus will come to rescue the remaining living righteous from the earth, along with the righteous who have just been resurrected from the dead.

Those who have given their allegiance to the Beast Power (Satan's Illuminati) will perish in the catastrophic conflagration caused by Satan's followers. They will be dead for the Millennium, and then will be resurrected in the Second Resurrection for the Great White Throne Judgment and begin reaping what they have sown.

Q – Dr Day. The Bible says it took 6 days for God to create the earth, but how come in this circumstance, one day doesn't equal a thousand years? How do we know? Thanks very much!

As I explained during the seminar, when God created the earth, it says, “The evening and the morning were the First Day – – the evening and the morning were the Second day ... etc. That’s ONE day – not a thousand years. And, as I also said, the grass and trees were created on the third day, and the sun and moon were created on the 4th day of creation. If these “days” were each a thousand years, no grass, trees, or other living things could have survived for a thousand years without the sun.

Q – You mentioned different theories about the Earth early on in the discussion. From my research & what I've read in the bible (Genesis, Enoch etc.), I believe the Earth is actually a flat like firmament rather than the ball science tries to sell us. What do you believe and why?

The book of Enoch is not in the Bible, so I do not consider it “inspired.” All the information about other planets leads us to believe that they are round. When you look up in the sky, there’s nothing that looks like an English muffin. Is it just a coincidence that they ALL look round?

If you’ve ever flown around the world, tell me what happens to the plane when you go straight down the edge of the “side” of the “English Muffin.”

And one more question, “How does it matter? Is it worth being a bone of contention?”

Q – Does the 10 commandments written by God still exist? Do we know where it is?

We do not know where the ark is, nor the Ten Commandments that were (or are) still inside of it.

Q – If God created humans and angels PERFECT, then how did Lucifer sin? And what did he do to fall?

If you will listen to the Seminar again, you will find that I give the texts showing that God “created the waster to destroy” – to do exactly what he is doing. And again, the word “Lucifer” does NOT appear in the Bible, in the original Scriptures. It has been “written in” by the translators.

Q – My husband has a rough time reading the Bible because he knows how much it's been translated and changed. I know you say the interlinear bible is

best and I bought your book on who rewrote the bible so I'm hoping this helps. Do you suggest anything else to help him believe the Word versus being so skeptical?

If he is anxious to find the TRUTH of what the Bible really says, he will read "Who Rewrote the Bible?" and learn from it. If he is "skeptical" because he just is not interested in the Bible or wants to try to prove that the Bible is wrong, he will not be able to learn who God really is. Many people are "skeptical" because they just DON'T WANT to live the way God wants us to live. They want to live their OWN way. Eventually, either in this life or after the 2nd Resurrection, your husband will have enough catastrophic things happen in his life, that he WILL want to learn about God.

Q – So if pills don't work, what's the whole thing about Hydroxychloroquine?

I have a question for you. Since the CDC ADMITS that Covid-19 has NEVER been isolated, how can anyone prove that Covid-19 exists? People are NOT dying of Covid-19. They are dying of ALL the diseases that they have been dying from for the last 100 years. But the government is paying the hospitals hundreds of thousands of dollars to put "Covid-19" on the death certificate.

The question you are asking presumes that the Germ Theory is true. But germs don't cause disease any more than Flies CAUSE Garbage. Flies do NOT "Cause" garbage. Garbage attracts flies. Dead and dying tissue in the body CAUSED by the way we have been living, thinking, acting, eating, and handling stress ATTRACT the "Clean-up crew" – the bacteria – to clean up the mess.

We give ourselves diseases by the way we live, think, act, eat, and handle stress. That's why God says, "If you follow My (health) laws, My Commandments (ALL Ten of them) and My decrees, I WILL keep you FREE of EVERY disease." Deut 7:11-15. In the Bible, God calls ALL drugs "Sorceries and Witchcraft" in Rev 18:23. That's a whole other subject that would take too long to discuss here.

Q – Is tinctures and oils pharmacy? I am not talking about marijuana.

No one needs "tinctures and oils" to be healthy. What we DO need to be healthy is to "follow God's laws, commandments and decrees." Deut 7:11-15

Q – You claim the dead are dead, but what about people whose heart temporarily stopped and claim they have seen a bright light and their dead family members?

I don't "claim" that the dead are dead. God does! That's what the Bible says. You have to decide whether you want to believe God and the Bible, or to believe human beings who claim to have seen a bright light. And how can YOU prove that they HAVE "seen a bright light"? When a person's heart stops temporarily, they also quit breathing temporarily, so they are hypoxic (meaning low on oxygen). Hypoxia can cause hallucinations!

Q – Dr. Day: Why would Jesus change water into wine if it is considered sin.

As I have stated many times, there is "New" wine (which is unfermented grape juice) and "Old" wine which is fermented. I have an entire chapter about this in my book, "Who Rewrote the Bible?" Jesus did NOT change the water into fermented wine.

Q – Can you just continue non-stop on Mondays with the bible every chapter?

I'm sorry, I don't understand the question.

Q – Dr Day: you mentioned "Weeping and Gnashing of teeth" in regards to reaping and sowing. how is that remedial?

Unfortunately, the only way human beings learn NOT to do a certain thing again is through pain: psychological pain or emotional pain or physical pain. If there's no "pain" – what would keep anyone from continuing to do it?

Q – If there will only be lakes and rivers, then whales, and large sea animals will live in lake. Yes?

Yes. A Sea dinosaur (much larger than a whale) lives in Loch Ness in Scotland. Loch Ness means Lake Ness. And there are many Sea dinosaurs in swamps in Africa.

Q – Will our aborted children be saved? What do you think?

EVERYONE will eventually be saved, including aborted children.

Q – Do you believe that our souls will be reunited with loved ones from the Earth in Heaven and on the new Earth?

The word “soul” in the Bible means a “living being that has the five senses.” We don’t “have” a soul, we ARE a “soul.”

God made Adam from the soil, then God breathed the breath of life into Adam, and Adam BECAME a living soul. One cannot separate the “soul” from the body. That is a totally false doctrine of the churches. The Bible calls every creature that has the five senses – a “soul” including fish, birds, animals and man.

³And the second angel poured out his vial upon the sea; and it became as the blood of a dead *man*: and every living soul in the sea died. Rev 16:3

Q – In 1 Corinthians 11 verses 5 and 6, Paul says women should cover their head when praying. Some Christians believe in women's head covering. How is this not applicable today?

In those days, that was a specific way of showing respect. There’s no reason you shouldn’t do that, if you choose.

Q – Is it ok to divorce a non-believer? What do you think?

That’s a question that takes a whole lot more than a ‘Yes’ or ‘No’ answer. I have a chapter on that in my book, “Who Rewrote the Bible?”

Q – Dr Day, people who have had HIV and got well by following God's plan explained in your material, once healed from HIV, are they still carrying the virus and can they still transmit it or is their body all cleaned?

First of all, there are a lot of questions regarding HIV actually being the CAUSE of AIDS. The HIV virus hasn’t been isolated either (just like the Covid-19 hasn’t been isolated). And furthermore, Germs Don’t CAUSE disease any more than Flies CAUSE garbage, as I stated above.

When a person becomes well God’s way, they are no longer sick. God doesn’t heal halfway!

Q – Would you eat or drink any fermented foods or drinks?

Certainly not anything alcoholic or anything that would be damaging to my health.

Q – In Zachariah 14:4, it said: 4 And his feet shall stand in that day upon the mount of Olives, which is before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south.

This is a symbolic passage, not a literal one, and I think I discuss this either in my book “Who Started the Organized Church?” or “Who Rewrote the Bible?”

Q – Does this verse say that Christ will touch Mount of Olives at his second return and reign in and from Jerusalem?

The Bible says that the earth will be “burned up” at the time of Jesus’ Second Coming.

Q – I don't have your Book "Who re-wrote the bible?" But I am concerned about the scriptures that I am supposed to believe and which ones were re-written. Without getting your book how would ppl know which parts of the bible haven't been re-written.

Answer: You won't.

Q – Is that why we need to read the interlinear bible to know for sure which ones are true?

I have never suggested a person read through the interlinear Bible like they read the regular Bible. It takes a great deal of study of the Bible to find the passages that have been changed. I have done that in my book, “Who Rewrote the Bible?” and I have included the pertinent passages from the interlinear Bible, to prove that the Bible has been changed.

You can either get my book “Who Rewrote the Bible?” or you can start from scratch and do your OWN 20 years of biblical research. It's your choice!

Q – Dr Day, Do you think there will be a Sunday worship law because of climate change and it will be good for the planet and help with the plandemic?

I believe they will pass a Sunday worship law. But I don't know which particular LIE they will use to get it passed.

Q – What do you think the key is to handle stress, if you were to say one thing?

Trust God with everything in your life. But it takes a whole lot of Bible study and prayer to get there.

Q – If Jesus is God, then why did He not know the time of His return? “Only the Father knows.” Mark 13:32, so it means Jesus knows nothing about his coming, just like in psalm 139: He knows everything. What about trinity, Father, Son and Holy spirit?

When Jesus was on earth, He left His “Godly powers” in heaven. He was a human being like the rest of us “In all points tested, like as we are, yet without sin” (Heb 4:15). After He was resurrected and went back to heaven, He had (and has) all of His Godly powers again, so obviously He DOES know when He is coming back.

Psalm 139 has 24 verses. Could you make your question more specific than just “like in Psalm 139.” I don't know what you mean by that.

In my book, “Who Rewrote the Bible?” I have 80 pages on the false doctrine of the Trinity. That's a little too long to quote here.

Q – Do you believe in Guardian Angels?

Yes.

Q – You mentioned, 1 Corinthians 10: 25 says eat anything sold in the meat market without raising questions of conscience. How does that square about not eating meat?

You have to read the WHOLE Chapter. That chapter is talking about whether one should eat food that has been offered to an idol. God says, if it offends someone new in the faith, don't do it. But otherwise, it's O.K. to eat the food because having been “offered to idols” does nothing to “change” the food, since idols can't do anything anyway.

This is NOT discussing whether or not to eat meat, nor is it discussing whether or not to eat clean or unclean meat. It is talking about the question of whether or not to eat food that has been “offered to idols.”

Q – Because of Dr Day, my grandpa is on day 50 of a juice fast!

I have never – ever – endorsed juice fasting for any longer than 3 days, and I certainly have never endorsed a 50–day juice fast. That can be very dangerous.
